Kottayam, C.M.S. College

A continuous Christian education has been given in Kottayam by missionaries of the C.M.S. since about 1816. A seminary was conducted by English missionaries, which for a time worked harmoniously with the Syrian Church authorities and was endowed jointly by gifts from England and by a handsome endowment from the Ranee, Sri Parvathy Bhye, partly in land, partly in funds. In 1837 it was found necessary to divide the endowments, about a half being given in trust to the 'Missionaries at Kottayam' to carry out on the work. The present high school was then built under the supervision of the late Rev. Henry Baker, Senior. In 1862 the Kottayam College began to send up candidates for the Matriculation Examination. In 1892 the college began its career as a second-grade college. New college buildings have recently been erected. There is a high school attached. There are hostels for Christians and Hindus.

Madras Christian College

This institution was founded in 1837 by the Rev. John Anderson, the first Missionary of the Church of Scotland to Madras. It was originally styled the 'General Assembly's Institution', but, remaining in dependence on that section of the Church which in 1843 dissolved its connection with the State, it was known from that time as the 'Free Church of Scotland Mission Institution'. The college department was opened in 1865. In 1876 its basis was widened. Other Christian bodies combined with the Free Church of Scotland in contributing to its support, and it became the most important centre of Christian liberal education in Southern India. The bodies which contribute to its support, and are represented on its council are, at the present time, the United Free Church of Scotland, the Wesleyan Missionary Society, the Church Missionary Society, the Church of Scotland, the American Baptist Foreign Mission Society and the London Missionary Society.

There are hostels attached to the college affording accommodation for about 200 of the students.

The College is affiliated in all the groups of the Intermediate Course; in Groups (i), (ii-A), (iii-B), (iv), and (v) of the B.A. Degree Course; and in Branches i, ii-A, iii, iv, v and vii of the B.A. (Honours) Degree Course. Instruction is offered in Sanskrit and Latin in Group iii of the Intermediate Course.

Ten scholarships are awarded annually on the basis of the Secondary School-leaving Certificate and the Intermediate Examination respectively to students joining the First and the Third college classes.

Trivandrum, Maharaja's Law College

In 1894, the Trivandrum Law class, which was opened in 1875 and affiliated to the University, was raised to the status of a college. It is intended to afford instruction to students preparing for the M.L. and B.L. Degree Examinations of the Madras University and the Pleadership, Civil and Criminal Special Tests, and such other examinations in Law as have been or may hereafter be instituted by the Travancore Government. In June, 1902, the old rules regulating the constitution and working of the Law College were revised by His Highness the Maharaja's Government by which the general management of the college was vested in the Principal subject to the control of the Dewan, the Law College Council being thus abolished. In January, 1909, a slight modification was made by placing the Law College under the Director of Public Instruction. This arrangement was subsequently altered when in April, 1910, it was finally placed under the control of the High Court. The Law College, it may be noted, is the only self-supporting Educational Institution in Travancore. The rules of the Madras Law College have, with very slight alterations, been adopted in the institution. The curriculum for B.L. students is that laid down by the University regulations.

104 COLLEGES AFFILIATED TO THE UNIVERSITY

There are at present 1,304 volumes in the library. The Government have sanctioned a special grant of Rs. 5,000 for the library, and the annual grant of Rs. 500 has been increased to Rs. 1,000.

University Library, Madras

In November, 1903, a proposal was received by the Government of Madras from the Madras University that a legacy of Rs. 25,619, bequeathed to it by the will of the late Mr. William Griffith, dated September 9, 1897, and received by the University on October 25, 1901, should be utilized for the establishment and organization of a library in connexion with the University; and that the University should be associated with the management of the Connemara Public Library, in view to making that a University as well as a Public Library. The Government agreed to the proposal and allowed the University the use of the Connemara Library buildings for the deposit of its books, provided that these books, while remaining the property of the University, are available to the general readers of the Connemara Public Library.

In August, 1907, a grant of a lakh of rupees was made by the Government of Madras to be added to the Griffith bequest for the foundation of the University Library.

Towards the upkeep and maintenance of the Library, the University of Madras grant a sum of Rs. 7,000 annually from the Fee Fund.

The management of the University Library is vested in a Committee, consisting of five Fellows of the University and the Principal Librarian of the Connemara Public Library, who is *ex-officio* Chairman of the Committee. The first Committee was appointed by a resolution of the Syndicate, dated December 5, 1906, and held its first meeting on February 9, 1907. The Committee is authorized to frame rules for the issue of books and to arrange for the general administration of the University Library; and in consultation with the Chairmen of the several Boards of Studies to purchase books and journals for the library.

The books and journals acquired for the library are in general such as are adapted for reference and for advanced study and research. Books of an elementary character are excluded from the library.

A catalogue of books relating to the subjects of History, Economics, Politics, and Sociology which are available in the combined Connemara and University Libraries, has been published and is priced annas eight.

An author catalogue of all the books contained in the University Library has been published and is priced one rupee.

For the present the library is open to the public daily from 7.30 a.m. to 2 p.m. except on Fridays. On the first Saturday in each month, it is closed at 12 noon.

Books are lent out to Fellows of the University, Members of the Boards of Studies, Professors, Assistant Professors and Lecturers in affiliated colleges, and persons engaged in special research, when resident in Madras or its immediate vicinity. Persons removing books from the Library are required to make a cash deposit of twenty rupees.

AFFILIATION TO THE UNIVERSITY OF OXFORD

I. LETTER FROM THE ASSISTANT REGISTRAR, UNIVERSITY OF OXFORD, DATED AUGUST 20, 1908

It is not infrequently the case that students who wish to claim the status of Indian Senior or Junior Students come to Oxford without having the necessary evidence to support their claim.

In order to prevent the inconvenience and delay which often arises from this cause, I venture to make the suggestion that each student from your University who comes to Oxford, and who is entitled to claim the status of Indian Senior or Junior Student, should be provided with a Certificate which will at once show that he has satisfied the necessary conditions. These conditions are

(a) for a Junior Student—

(1) that he has pursued at his University a course of study prescribed by it and extending over two years;

(2) that he has passed all the examinations incident to the course.

(b) for a Senior Student—

(1) that he has pursued at his University a course of study prescribed by it and extending over three years;

(2) that he has 'taken Honours' in the final examination incident to the course.

The certificate should therefore in either case state definitely that the two conditions have been fulfilled.

The conditions under which a student shall be deemed to have 'taken Honours' are usually set forth in a decree for each University, and the certificate should be drawn up in exact accordance with the terms of the decree.

I enclose a copy of the decree for your University, and also specimens of certificates which would be sufficient in the case of a student from it, and it would be a very great convenience, both to me and to the applicant, if a certificate in one or other of these forms could always be produced when a claim is made.

There is one other point. Before taking his degree it is necessary for a Colonial or a Foreign Student to have 'shown a sufficient knowledge of the Greek language'. The decree for any University frequently sets forth that any member of that University who has satisfied certain specified conditions 'shall be deemed to have shown a sufficient knowledge of Greek.' When it is desired to take advantage of this a certificate should be given stating, exactly in the terms of the decree, that the candidate has satisfied the prescribed conditions.

All certificates should be officially stamped or sealed, and signed by some responsible official of the University.

The scholarships are placed at the disposal of the Universities of Calcutta, Bombay, Madras, and the Punjab in rotation, one scholarship having been given to each of the first two Universities in the year 1886, and one scholarship to each of the last two in 1887. In allotting the scholarships in future years, the same order will be observed.

The following rules for selecting a candidate for the scholarship allotted to the University of Madras have received the sanction of His Excellency the Governor in Council :

1. That the scholarship be open to all Bachelors and Masters of Arts, Bachelors and Masters of Law, Bachelors and Doctors of Medicine and Bachelors of Engineering of the University, who are under 22 years of age on the 31st day of March in the year in which the selection is made.

[N.B.—The conditions are—

- (i) that the candidate is a native of India * within the meaning of the statute ;

Government scholars, equally with private students, may consult the Educational Adviser upon any question, and will receive from him all possible assistance, and the Secretary of State hopes that they will communicate with the Educational Adviser, not only on the occasions when they are directed so to do in these rules, but also in any circumstances of difficulty and whenever they desire advice or information. Scholars will be regarded as being under the supervision and charge of the Educational Adviser, to whom they should in all cases address any communication they may have to make, and to whom also all reports or other communications having reference to scholars should be sent. The Educational Adviser will bring to the notice of the Secretary of State on behalf of any scholar any question requiring his decision and will communicate to the scholar the orders passed by the Secretary of State.

(2) Every scholar should, on reaching England, at once call upon the Educational Adviser* and report his arrival in writing.

* The Educational Adviser's office is at 21, Cromwell Road, South Kensington, S.W.

NOTE.—(1) Immediately on the selection of a candidate for the scholarship information should be telegraphed to the Secretary of State for India giving name of candidate, selected subjects of

He should leave his address with the Educational Adviser and intimate to him from time to time all changes therein.

(3) Every scholar should, without unnecessary delay, inform the Educational Adviser to which University he intends to proceed, and should at once take steps to enter himself at the college he has finally selected with his approval.

(4) Every scholar must, within four weeks of reaching England, submit to the Educational Adviser, for the approval of the Secretary of State, a statement showing the general course of study he proposes to follow to carry out the objects of the scholarship granted to him; and the course approved must not be changed without the sanction of the Secretary of State.

(5) Every scholar must, at the end of each term of residence at a University, submit to the Educational Adviser a certificate from the proper college or University authority, showing that his residence, conduct, and progress in study have been satisfactory during the term.

(7) Subject to a due compliance with the above conditions, the allowance, at the rate of 200*l.* a year for three years, will be paid quarterly, in advance, by the India Office, commencing from the date of the scholar's reporting his arrival in England. The first payment will be 50*l.* Three months after the date of reporting arrival the amount to the ensuing official quarter day will be paid. Subsequent payments will be made in advance on or after each official quarter day. The allowance will be reduced by the amount of any other sum which may become payable to him out of the revenues of India in respect of residence at a University during the same period or any part of it, and also by the amount of any

(3) 'The India Office has represented that difficulty has sometimes been caused and a good deal of time wasted by state scholars on their arrival in England beginning to make plans on their own behalf, without real knowledge of educational institutions or requirements. With a view to obviating recurrences of this kind the Government of India consider it very important that scholars should be made to understand that they will be expected on their arrival to fall in with the arrangements made for them'. [G.O., No. 628, Educational, dated July 14, 1914.]

University or college bills, of which payment is made by the India Office.

(8) Travelling expenses, hotel bills, and charges for medical attendance are not defrayed by the Secretary of State.

(9) Every scholar will forfeit his scholarship who, not being disabled by illness or prevented by any other cause which the Secretary of State may consider sufficient, fails to complete a residence of three years in England according to the terms and conditions approved by the Secretary of State under Rule 4, or who is guilty of misconduct or disregard of the instructions of the Secretary of State. If a scholarship be forfeited, or if it be resigned before completion of its term, or if a scholar on completion of the term of his scholarship declines to return to India when instructed to do so, the scholar will lose his claim to a free return passage to India, and will further become liable, at the discretion of the Secretary of State, to refund the cost of his free passage to England.

(10) At the expiration of the scholarship, a scholar is provided by the India Office with a free second-class passage to India. The scholar is not entitled to make his own passage arrangements, and to claim an allowance in lieu from the India Office without the special sanction of the Secretary of State. All communications on this subject are to be made to the Educational Adviser.

(11) Should the Secretary of State be advised that the state of a scholar's health is such as to render his return to India desirable, the scholarship may be terminated forthwith and a free return passage granted to the scholar.

By a subsequent resolution of the Government of India, having for its object the extension to the University of Allahabad of the privileges accorded to the other Indian Universities under the previous resolution, the order in which the scholarships are allotted has been altered as follows :

1889 Allahabad, Madras.	1892 Madras, Punjab.
1890 Punjab, Calcutta.	1893 Calcutta, Bombay.

Resolution of the Government of India, Home Department

No. 221/238, dated March 19, 1907

The Government of India have recently had under consideration the question of affording assistance to European and Eurasian scholars in India who may desire to prosecute their studies beyond the standard of high school education. The need of domiciled Europeans and Eurasians for separate school education is already recognized and provided for but if, after completing their school course, students of these classes wish for a University education they have to adapt themselves as best they can to the Indian University system, which is primarily intended for the benefit of natives of this country, and to which the existing scheme of European education in India does not lead up. Moreover, on general grounds the Government of India think it desirable to give some inducement to Europeans and Eurasians in India to pursue their studies up to a high standard and to offer them some prizes to look forward to in their own line of education.

2. After consulting local Governments on the question, the Government of India have now obtained the sanction of the Secretary of State to the grant of one scholarship annually, tenable at an English University, for members of the domiciled European and Eurasian community in India, on the understanding that candidates belonging to these classes will no longer be regarded as eligible for the two University state scholarships at present granted to natives of India. The Governor-General in Council is accordingly pleased to announce that the scholarship will be granted on the following terms and conditions.

3. One scholarship of the value of £200 a year, the cost of which will be defrayed from Imperial revenues, will be awarded annually to a European or Eurasian candidate who is a native of India within the meaning of Statute 33 Vic., Cap. 3, section 6, and whose parents are not resident in India for temporary purposes only.

The following procedure will be observed in the selection of candidates for the scholarship :

(i) Each local Government will be invited to nominate annually a candidate who has been for the preceding two years a pupil of a recognized school or college in India and who has passed the European High School examination or who is a graduate of one

of the Indian Universities. The candidate must be not more than 22 years of age, of good physique and active habits, and must produce medical evidence of good health. Nominations should be submitted by the 31st March of each year, but as a special case the date up to which the recommendations of local Governments will be received during the current year is extended to the 1st June.

(ii) The Government of India will select from among the candidates nominated by local Governments the one who appears to them to be best fitted to hold the scholarship. In making the selection due regard will be paid to the claims of each province to participate in its turn in the scheme.

4. The scholarship will entitle the holder to an allowance not exceeding £200 per annum payable from the date of his arrival in England, and will be tenable for three or four years, as circumstances may require, at any University in the United Kingdom or, with the special sanction of the Government of India, at a foreign University. The candidate to whom the scholarship is awarded will be required to proceed to England within a reasonable period from the date of his selection, and to reside there for a period of three or four years, as the case may be, unless compelled to return sooner by ill-health. He will be provided with a free second-class passage to England and also with a free return passage if he completes the full period residence or is compelled by sickness to return within that period.

5. The scholar will, on arrival in England, be required to bind himself by a written engagement to submit to the following rules and to such other regulations as may, from time to time, be framed by His Majesty's Secretary of State for the guidance of scholars in England :

(a) Every scholar shall, on reaching England, at once present himself to the Secretary, Judicial and Public Department, at the India Office, and report his arrival in writing.

(b) Every scholar shall, without any unnecessary delay, inform the Secretary of State to which University or College he is about to proceed, and shall at once take steps to enter himself thereat.

(c) Every scholar shall, at the end of each term of residence at a University, submit to the Secretary of State a certificate from the proper University or College authority, showing that his residence, conduct and progress in study have been satisfactory during the term.

(d) Every scholar shall at all times obey such instructions as he may receive from the Secretary of State.

(e) Subject to a due compliance with the above conditions, the allowance, at the rate of £200 a year for three years, or four years, if so determined, will be paid quarterly, in advance, by the India Office, commencing from the date of the scholar's reporting his arrival in England.

(f) Every scholar will forfeit his scholarship who, not being disabled by illness or prevented by any other cause which the Secretary of State may consider sufficient, fails to complete the required terms of residence at a University or who is guilty of misconduct, persistent idleness or disregard of the orders of the Secretary of State. If the scholarship be forfeited, the scholar will lose his claim to a free return passage to India, and will further become liable to refund the cost of his free passage to England.

(g) The scholar will be under the supervision and charge of the Political Aide-de-Camp to the Secretary of State through whom the necessary orders will be given, and to whom all reports and other communications respecting him should be sent.

II. The Johnston of Carnsalloch Scholarships

A scholarship was founded on the 6th May, 1872, by Patrick Francis Campbell-Johnston, Esq., of Carnsalloch, Dumfries, Scotland, in fulfilment of the intention of his father, the late Sir Alexander Johnston.

The income is derived from the proceeds of certain land and buildings near the town of Madura, known as the 'Tamkum', of which Sir Alexander Johnston claimed to be the proprietor.

By the terms of the deed of endowment (given in the University Calendar for 1880-81, page 174), the scholarship is awarded to a matriculated student, being a native of the district of Madura, without respect to class, caste, or religion, in accordance with rules framed by the University.

As the income of the endowment allows of three scholarships being held simultaneously, the following rules were framed by the Senate at its meeting on the 25th October, 1912:—

(a) One scholarship shall be awarded annually to the candidate who, being a native of the district of either Madura or Rannad, stands highest in the first class at the Intermediate Examination immediately preceding his election, and who continues his studies in an affiliated college, provided that such scholarship shall not be held in conjunction with any other scholarships whatever.

(b) The scholar must engage to prosecute his studies up to the degree of Bachelor of Arts or of Bachelor of Arts (Honours) in some College affiliated to the University of Madras.

(c) The scholarship shall be tenable for three years, but shall cease at the end of two years in the case of a scholarship-holder who has selected the B.A. Course unless he passes the B.A. Degree Examination at the end of the two years' course and continues to study for the purpose of appearing for the B.A. (Honours) Degree Examination under Regulation 203.

(d) The monthly value of the scholarship is about Rs. 15.

(e) It shall be lawful for the Syndicate to declare that the holder of the scholarship has forfeited it for any misconduct which it may consider a sufficient cause for such forfeiture, and there shall be no appeal from the decision of the Syndicate.

(f) In the case of the death of any holder of a scholarship, or in the event of a scholarship being vacated or forfeited by the holder thereof from any cause whatever, the Syndicate shall be at liberty either to appoint another scholar of the same standing, or to add the unexpended amount to the corpus of the fund.

(g) At the time of the examination, the age of the candidate must not have exceeded nineteen years.

IV. The V. Rama Aiyangar Memorial Scholarships

A scholarship was founded in memory of the late V. Rama Aiyangar, C.S.I., Dewan of Travancore, by his widow Janakiyammal, under her will, dated October, 1891, and was accepted by the Senate at a meeting held on the 6th November, 1896.

The endowment consists of Rs. 10,000 from Kamalammal, daughter of the late V. Rama Aiyangar, in accordance with the will of her mother, invested in $3\frac{1}{2}$ per cent Government securities.

As the income of the endowment allows of three scholarships being held simultaneously the following rules in connection with the scholarship were framed by the Senate at its meeting held on the 25th October, 1912:—

A scholarship shall be awarded annually to a student professing the Hindu religion, who, after passing the Intermediate Examination in the first class in Group i, ii, or iii wishes to qualify for the degree of Bachelor of Arts (Honours) in Branch viii, either ii-A or ii-B or iii.

The scholarship shall ordinarily be tenable for three years.

In the event of there being no candidate eligible who is prepared to take an Honours course, the scholarship may be awarded to a candidate taking an ordinary degree course, provided that Sanskrit or a Physical or Natural Science form part of the course selected by him. In such case the scholarship shall be tenable for two years.

The monthly value of the scholarship shall be Rs. 12.

The scholarship shall be awarded by the Syndicate at its discretion to a candidate it may select, provided that the candidate selected has shown distinguished merit in the subject or subjects chosen by him for further study in a University course.

It shall be lawful for the Syndicate of the University to declare that the holder of the scholarship has forfeited it for any misconduct which it may consider a sufficient cause for such forfeiture, and there shall be no appeal from its decision.

In the case of the death of any holder of the scholarship, or in the event of the same being vacated or forfeited by the holder thereof from any cause whatever, the Syndicate shall be at liberty either to appoint another scholar or to add the unexpended amount to the corpus of the fund.

The candidate must bind himself by written covenant—

(a) to prosecute his studies for the B.A. (Honours) Degree or the B.A. Degree Examination in the branch or group selected, in a college affiliated to the University of Madras;

(b) to pursue his studies continuously and diligently during the tenure of his scholarship;

(c) to hold no appointment carrying a fixed stipend;

(d) not to hold this scholarship in conjunction with any other scholarship;

(e) to appear for the B.A. (Honours) or the B.A. Degree Examination in the selected branch or group at the end of the period of tenure of his scholarship.

The scholarship shall run from the date of the scholar joining the college selected.

At the expiration of every six years from the date of institution, the Senate may make new regulations with respect to the scholarship; but they have no power to divide it, or to reduce its amount.

V. The Marsh Scholarship

This scholarship was founded by the subscribers to the Marsh Memorial Fund and was accepted by the Senate at its meeting held on the 4th March, 1910.

The endowment consists of Rs. 5,000, invested in 3½ per cent Government securities, the interest on which is applied to the award of a scholarship in memory of the late Dr. Joseph Marsh under the following conditions:—

The scholarship shall be called 'The Marsh Scholarship'.

The scholarship consists of the interest on 3½ per cent Government securities of the nominal value of Rs. 5,000.

It is tenable for three years in the event of the holder being a candidate for the degree of Bachelor of Arts (Honours), or for two years if the holder be studying for the ordinary degree in Arts.

It is awarded, whenever a vacancy occurs, to the student who, among those commencing their studies for the B.A. (Honours) Degree Examination in the Physical Science Branch, has stood highest in Group i in the immediately preceding Intermediate Examination, and undertakes to study for the B.A. (Honours) Degree in the Physical Science Branch.

In the event of there being no candidate eligible who is prepared to take an Honours course in Physics or Chemistry, the scholarship may be awarded to a candidate taking the ordinary degree course with Physics or Chemistry as his optional group, provided that he fulfils the remaining conditions.

The scholarship shall be tenable only so long as the holder continues his studies in the course on which when the scholarship was awarded he had undertaken to enter.

If in any year the scholarship is not awarded, the unexpended interest shall be added to the corpus of the fund.

The Syndicate may declare that the holder of the scholarship has forfeited it for any misconduct which it may consider sufficient cause for such forfeiture, and its decision shall be final.

The Senate shall have power to make such changes in the conditions of award as new circumstances may render desirable.

III. The Sir T. Muttuswami Aiyar Scholarship

This scholarship, with an endowment of Rs. 10,300, was founded by Mr. T. M. Swaminatha Aiyar, B.A., son of the late Sir T. Muttuswami Aiyar, B.L., K.C.I.E., primarily for the encouragement of the study of Law in its higher branches and especially of Hindu Law, and secondarily for the encouragement of the study of Physical and Natural Science. The endowment was accepted by the Senate at a meeting held on 30th August, 1899, and the following are the conditions of award:—

The scholarship shall be designated the 'Sir T. Muttuswami Aiyar Scholarship', and shall be awarded by the Syndicate biennially or whenever a vacancy occurs. It shall be of the monthly value of Rs. 30 and tenable for two years or for such shorter period as the Syndicate may deem necessary in the special circumstances of each case.

The scholarship shall, in the first instance, be awarded to a student in Law who, having passed the B.L. Degree Examination in the University of Madras, wishes to continue his studies for the degree of Master of Laws in the same University; but if, on the occurrence of a vacancy, no student in Law shall apply for the scholarship, it shall be awarded to a student who, having passed the *Intermediate Examination* in the University of Madras, wishes to continue his studies for the *Bachelor of Arts (Honours) degree in one of the subdivisions of Branch ii or of Branch iii*.

On the occurrence of a vacancy, applications for the scholarship shall be invited from students in Law in three successive issues of the *Fort St. George Gazette*, and, if at the end of six weeks after the appearance of the first notification no application shall have been received from students in Law, a new notification shall be inserted in the said *Gazette* inviting applications for the scholarship from students who wish to prosecute their studies for the *B.A. (Honours) degree in the aforesaid branches*.

The age of an applicant must not exceed 25 years on the 1st January preceding the date of the notification.

The scholarship may be declared by the Syndicate to be forfeited, if the conduct or progress of the holder be unsatisfactory, or on account of his continued ill-health, or for any other reason which the Syndicate considers sufficient. There shall be no appeal from such decision.

The holder of the scholarship must bind himself by written covenant—

(1) to prosecute his studies for the examination of Master of Laws or *Bachelor of Arts (Honours)*, as the case may be, in the University of Madras, and to appear for examination, on the first occasion admissible under the regulations ;

(2) to place himself, for the direction and control of his studies under the supervision of the Principal of the Madras Law College in the case of a student in Law, or of the Principal of a first-grade College situated in the town of Madras in the case of a student reading for a degree in Arts ;

(3) not to hold any other scholarship in conjunction with this scholarship ;

(4) not to pursue any calling inconsistent with the prosecution of his studies, nor to practise as a pleader, nor to hold any salaried appointment during his tenure of the scholarship ;

Provided that nothing contained in this covenant shall be taken to debar the holder, if a student in Law, from serving his term of apprenticeship or from being enrolled as a pleader during the tenure.

The scholarship shall commence from the date on which the selected applicant reports himself to the Principal of the College under whose supervision he has to pursue his studies after executing the above covenant.

The Senate shall have power to make such changes in the conditions of the award as new circumstances may render desirable, provided that the object for which the scholarship has been founded shall always be kept in view and provided that the monthly value of the scholarship shall not be less than one-twelfth part of the interest accruing on the original endowment. Should, however, the Senate at any time after the 'Tata scheme' becomes an accomplished fact, consider it expedient and feasible to utilize the income from the endowment in granting a scholarship for the encouragement of research in any of the above or other branches of learning, it shall be competent for them to do so.

The following are the terms of award of the above scholarships as amended by the Senate at its meeting held on the 5th March, 1909:—

These scholarships were founded for promoting the study of Medicine amongst Native Christians of Southern India by Dewan Bahadur Narayana Aiyar Subrahmanyam, B.A., B.L., of Madras,

Barrister-at-Law, in memory of his late wife Anne Isabella Subrahmanyam. The first endowment was accepted by the Senate on the 21st September, 1899, the second endowment on the 21st April, 1900, and the third endowment on the 31st August, 1901, and the endowments now amount in the aggregate to Rs. 30,000.

2. The endowment for each scholarship consists of Rs. 6,000, invested in $3\frac{1}{2}$ per cent Government securities, the interest accruing from which is to be devoted for the support of a student in Medicine in the Madras Medical College studying for the degree of Bachelor of Medicine and Surgery of the University of Madras.

3. In the event of a scholarship not being awarded in any year, the unused interest shall be added to the trust funds. The interest accruing from such accumulations shall be utilized in rateably increasing the amount of each scholarship, subject to a maximum of Rs. 35 per mensem. The surplus interest accruing from the trust funds over and above thirty-five rupees per mensem per scholarship shall, as the Senate of the University determine, be applied in endowing some other scholarship in the University, or in the purchase of a medal or prize to be awarded to any student of the University whom the Senate may select for encouragement in the study of Medicine.

4. It shall be lawful for the Senate of the University, from time to time, with the consent, during his lifetime of the founder, to make new regulations with respect to the scholarships, always provided that they do not divert it to any other purpose than the encouragement of the study of Medicine by Native Christians.

5. If any event occurring to prevent the following rules from being carried out, it shall be lawful for the University to apply the trust funds of these scholarships in such manner as will carry out the object of the founder, viz. the promotion of the study of medical science by Native Christians of Southern India.

6. The rules that have been framed are as follows :—

(b) By the terms of the deed of endowment (given in the University Calendar, Appendix, Volume I, for 1899-1900, page 218) the scholarships are open to Native Christians, male or female, of the Presidency of Madras, or of the States of Mysore, Travancore, Cochin or Pudukkottai. A scholarship will be awarded each year to a student entering the Madras Medical College in the first year's class of the course for the degree of the Bachelor of Medicine and Master in Surgery of the University of Madras. It shall be awarded by the Syndicate on the recommendation of a committee of three members of the Faculty of Medicine, of whom the Principal of the Madras Medical College shall be one.

(c) A scholarship shall be tenable under existing rules for five years or for the period required to qualify for the M.B. & B.S. degree of the University of Madras.

(d) Failure to pass any one of the examinations for the degree of M.B. & B.S. of the University of Madras at the earliest opportunity on which the holder is admissible to it entails forfeiture of the scholarship. In the case of failure to pass one such examination, however, the Syndicate, on the application of the holder of a scholarship, may merely suspend the scholarship for one year. If the holder be successful within this period, it shall be lawful for the Syndicate to continue the scholarship for the remainder of the period for which the holder may be entitled to it.

(e) It shall be lawful for the Syndicate to declare that the holder of a scholarship has forfeited it for any misconduct which they may consider a sufficient cause for such forfeiture, and there shall be no appeal from the decision of the Syndicate.
